

1. It was observed on 26 October 1950, that a school for political officers was located at 60 ul.11-go Listopada in Lodz (Q 52/0 94). * A barracks installation was at the intersection of this street with ul.Jerzego, near house No 83 on ul.11-go Listopada. The premises of the school could be entered only with a special permit issued by the military post commander, who had his office in the barracks installation on ul.Jerzego.
2. [redacted] the last course at this installation was attended by personnel in the strength of three battalions. Particularly qualified trainees were transferred to the Higher Military School in Warsaw.
3. Another school for political officers was said to be located in Zgierz (Q 52/0 94).

* [redacted] Comment. The existence of the school was reported previously. [redacted] According to Polish press reports, the installation is a school for high-ranking political officers.
